

# Newington Cemetery

## Snowdrop Walk

Sunday 13th February

Spring is just around the corner - chase away the winter blues with a visit to see the cemetery's splendid snowdrops.

On **Sunday 13 February**, from 1pm to 3pm, volunteers from the Friends of Newington Cemetery will be on hand to direct visitors to the best spots to see our shows of spring flowers and to answer questions about our work to research and look after this Victorian garden cemetery.

Our enthusiastic working party meets on the 3rd Monday of every month (10 am at the gates). Why not join us for friendly gardening and fresh air?
